Low moisture cleaning available for office carpet cleaning

## Differentiators

Our top priority is quality work, backed by honesty in everything we do. We focus on building trust by making our clients feel safe, satisfied, and confident they've received the best possible service.

## Experience

### City of Dixon Fire Department – 2022–Present

Provided ongoing carpet cleaning and maintenance services for an active public safety facility. Services are performed on a recurring six-month schedule, ensuring clean, safe, and well-maintained interiors while meeting facility operational needs.

### UFCW Office Building, Concord, CA – May 2022–June 2024

Delivered long-term carpet cleaning and maintenance services for a large commercial office building. Maintained a consistent service cycle every 8–10 months over a multi-year relationship, supporting a clean and professional work environment.

### Plumbers and Steam Fitters Local 342 – Summer 2021

Plumbers and Steam Fitters Local 342, a state-affiliated organization, was a client for whom we cleaned several carpeted offices and completed approximately \$10,000 worth of tile floor cleaning within a ten-hour shift.
